

# DOWNTOWN MUSKEGON PETS SAFE BARK PARK

## PetSafe Bark Park

### PROJECT DESCRIPTION

A 0.7 acre off-leash dog park which includes small and large dog fenced areas, parking, and irrigated turf, and water fountains for the dogs.

### CHALLENGES

Bring the dream of a Downtown Muskegon dog park to a reality by value engineering an over budget project to an acceptable number without sacrificing the design, intent, and quality desired by the various stakeholders involved in the project.

### RESULT

A vibrant dog park servicing large and small dogs in downtown Muskegon.
